EASY-CARE COOLMAX® KNITS: REFRESHING AS A COOL BREEZE

**WASHES EASILY
IN HOTEL SINK**

Cotton knits were a good travel idea in their day. This breathable, wrinkle-resistant blend of CoolMax® and cotton is a much better idea. You can wear our knits all day under the most demanding conditions – at high noon in the Tunisian desert or on a sweltering Delhi day – and still feel fresh, never damp or sticky. The CoolMax® fibers are next to your skin, where they draw moisture to keep you dry and comfortable; cotton on the outside resists pilling and looks smooth and natural. The combination fends off wrinkles effortlessly and looks wonderful when you

unpack – even after a full day of exploring. Because these knits dry so quickly, you can wash them in the evening and wear them the next day ... every day. Our CoolMax®/cotton T-shirts are a feminine version of a classic; choose solids or stripes to spice up your wardrobe. Pair any top with our six-gore skirt, a flattering silhouette with full elastic waist and side-seam pockets. The easy-fitting Travel Dress also has a comfortable elasticized waist, on-seam pockets, and a graceful flare to the mid-calf skirt. **Regular** sizes XS(2-4), S(6-8), M(10-12), L(14-16), XL(18-20).
